# SEAFARER SIDETABLE

## ASSEMBLY INSTRUCTIONS

1. Remove the side table from the carton and place the Side table Rim with Glass Top (A) Upside down on a soft surface. Identity all parts packed in the carton against the parts list.
2. Remove the Bolts (E) and Lock Washer (F) from the Side table Legs (B).
3. Insert all Glass Bumpers (C) into each Table Legs (B) The glass bumpers will protect the table glass from the table legs. See FIG 1
4. Slide all four Side table Legs (B) into the plastic leg receivers as shown in Figure 1. Remember the glass bumper located on the leg is facing the bottom of the glass top. See FIG 2.
5. Insert one Bolt (E) with a Lock Washer (F) into each hole from the inside of the Leg Connector Ring (D) and secure into the Side table Legs (B). At this point, please do not secure them tightly. See FIG 3.
6. Check alignment of all Legs and correct if necessary, to be sure all Bolts (E) and Nut (G) are secured into the Legs. Tighten all Bolts (E) with Hex Screw Driver (H), and Nuts (G) with Wrench (I)
7. Cover all Bolts (E) with PVC Screw Covers (J) and all Nuts (G) with PVC nut Cover (K) turn the table to an upright position. Your Side table is now ready to use, Figure 4.

Your side table is now ready to use.

- Keep the Touch Up Paint Bottle (L) for future use for both your table and chairs.
