

## CARE AND MAINTENANCE

Clean furniture with wet towel using mild soap and water solution. Dry completely with soft towel. All metal surfaces are protected with a powder coating process to prevent rust. Rust is a normal occurrence when iron/steel is exposed to the elements. Due to natural properties of frame material, should rust develop, clean area by sanding lightly, then wipe thoroughly and apply touch-up paint or enamel paint. Clean cushions and sling seat material with a mild solution of soap and water and hang cushions to drip dry completely. Store them in a clean dry area of your home. Do not machine wash or dry. Do not use bleach or strong solvents to clean any of your patio furniture. It will harm both fabrics and metal finishes. Caution should be used when using oils, lotions and other chemicals such as chlorine or repeated exposure to extreme weather conditions (including heat), which may cause permanent discoloration to the fabric. To maintain and protect the furniture, always cover it with an outdoor furniture cover or store in a safe area when not
